Transport

By Road:

The offices are located 5 minutes walk from Pinner town centre, close to the tube. Pinner is a few miles from Harrow, north west London. Park either at Evans House, at the Chapel Lane car park or at the station car park.

By Public Transport:

- Travel by the Metropolitan Line from Baker Street, taking any train going north as far as Harrow-on-the-Hill. If not on a Watford train, change at Harrow onto one, otherwise the other branches will bypass Pinner completely. A Watford All Stations or Watford Semi-fast will both stop at Pinner.
- Trains to Watford run every 10 minutes from Baker Street and sometimes more frequently during the rush hours.
- During peak hours use the Cecil Park entrance of Pinner station, at the southern end of the northbound platform.
